

# S6 Foodbank

We are Sheffield S6 Foodbank, the largest foodbank network in the city. In March 2020 when the pandemic hit, S6 Foodbank ran 4 foodbank sites, predominantly around the S6 area, feeding around 155 people each week. Now, the team is responsible for 11 foodbank sites across the city, stretching from Crookes to Sharrow and from Woodhouse to Firth Park, feeding 1200 people each week.

We accept donations of in-date tinned and packaged goods such as:

- tinned vegetables
- tinned meat products,
- UHT milk,
- long-life fruit juice,
- cereal,
- tea and coffee.

We also accept donations of hygiene products, including washing up liquid, wash powder tabs, toothpaste, and shower gel.

Cash donations are especially welcomed, as with our bulk buying power we can make your hard-earned money work even harder! Cash donations can be made via our dedicated fundraising page [www.justgiving.com/campaign/ForAllSheffield](http://www.justgiving.com/campaign/ForAllSheffield)
